OUR VISION *Connecting all people to Christ and each other through worship, education, service, and fellowship.*

OUR PROMISE STATEMENT *St. Peter's Lutheran Church nurtures you to form a foundation for a relationship with God which keeps you on the right path as a place to be at peace. THE SCHOOL LIGHTING PROJECT has been completed. The work was done by URE (Unlimited Renewable Energy) out of Prairie Du Sac. Every light bulb in the building has been switched to LED from incandescent, florescent, and mercury vapor. It is great to see all the nice new bright light throughout the building. It will also be exciting to see the electricity costs go down in the coming months.

HARDSHIP FUND St. Peter's continues to help those in need with the gracious gifts that we receive for the Hardship Fund. However, funds are very limited. If you would like to make a contribution to this fund, please place it in the offering plate marked for "Hardship". Thank you so much for helping those in need.

† **Luke 12:15** And he said to them, "Take care, and be on your guard against all covetousness, for one's life does not consist in the abundance of his possessions." Coveting is the opposite of being content with what God has given us. And the cure for coveting is twofold: thankfulness to God and generosity toward God's purposes. So be on guard against all covetousness: acknowledge that your Father has given you all you need, and therefore be free and confident in directing the mammon of this world toward godly purposes.

SCHOOL NEWS On Monday, August 15, our St. Peter's Lutheran School faculty will be meeting for the beginning of the new school year. This will be the first time that we will all be together since we met to end the school year in June. Even though we have not been together there has been a lot of planning and work going on by individuals evaluating last year and preparing for this coming year. We thank God for the opportunity that we have to minister to the children placed into our care.
