Ministry in Motions are examples of students and staff putting their faith into "motion." Ministry in Motions will not show up on a test score, but they are at the core of what St. Peter's ministry is all about. I share these as examples of how Christ's light is shining at St. Peter's. To God be the glory!

A student who was washing tables was very helpful when a teacher spilled their milk. He washed off the strap of the lunchbox and cleaned up the area.

A kindergarten student was looking for someone to play with. He asked a 4th grade student who was getting ready to join the 4th grade football game. Without hesitation, the 4th grade students said "sure" and proceeded to play with the kindergartner. Both had HUGE smiles on their faces.
