Tax season is quickly approaching. And a simple form can help your families deduct up to \$4,000 for K-8 grade tuition and \$10,000 for 9-12 grade tuition on their state income taxes.

This state tax deduction has been available since 2014, thanks to WCRIS advocacy and your support. The deduction saves private school families nearly \$8 million per year. The state budgets for around \$12 million per year so **there is room for more families to use the deduction.**

School principals should send the [Wisconsin Department of Revenue Schedule PS form](#) home with students. Give parents a head start by filling in your school's name in the first column, school address in the second column and school/church Federal Employer Identification Number (FEIN) in the third column.

[Please share this form with your families.](#) Feel free to contact WCRIS with any questions. Learn more about the [tuition tax deduction here.](#)
