WHAT DOES IT MEAN TO BE AN ACTIVE MEMBER OF ST. PETER'S LUHTERAN CHURCH?

The St. Peter's School Handbook encourages all families to attend church 50% of the time. This is a very important part of determining member and non-member tuition at St. Peter's School. Member tuition rates will be charged based on the following guidelines:

- 50% church attendance at St. Peter's Church, August 1 – July 31, of the following year, member tuition rate will apply. If attendance of 50% or greater has not been met, non-member rates will be charged for the following school year.

Church attendance will be reviewed August 1st of each year to determine your tuition rate for the upcoming school year. Attendance will be recorded from attendance cards at church.

St. Peter's Lutheran School Choir Grade

St. Peter's Lutheran School has been a part of the ministry of St. Peter's Lutheran Church for over 150 years. Our mission statement for the school says, "We exist to provide a nurturing, Christian educational environment which assists families in their God-given responsibility of preparing children for an earthly life of Christian witness and eternity with their Lord and Savior."

Singing praises in a choir is one way we can put our faith into action and support families in developing faith in their children. Students and families are also able to share their appreciation to the members of St. Peter's for their continued commitment in providing a quality Lutheran education.

To these ends, students in Grades K-8 are automatically enrolled in a choir. Choirs are scheduled to sing for worship services at St. Peter's during the school year. Attendance at both worship services and special events will count on the student's Choir grade as well as qualify as one of the attendance requirements to receive a reduced tuition rate.

That said, we understand that families may not be able to attend all opportunities to sing for many reasons. Please see the Courtesy Note System and Extra Credit listed below that are part of the grading system.

Students will earn a letter grade for Music Theory. Choir grades are calculated using a point system. 5 points for being in rehearsal each week and actively participating and 5 points for singing at their scheduled worship service. This includes the Children's Christmas Service in December.

Courtesy Note System

- We realize there may be situations that prevent a student from being able to attend a specific service. In those cases, a Courtesy Note may be provided **prior** to the service.
 - The first Courtesy Note in a quarter will result in earning 5 points for the missed service.
 - Additional Courtesy Notes in the same quarter will result in earning 1 point.
 - A student who misses an opportunity to sing, and a Courtesy Note is not provided prior to the service will earn 0 points.
- Extra Credit: Students in grades 3-8 may complete an extra credit project based on a hymn to earn up to 5 extra credit points per quarter. Students may choose from a list of hymns we will provide, or obtain approval of a hymn of their choice prior to starting the project. Extra Credit for students in grades K-2 will be determined on a case-by-case basis by the principal. The principal will grade the Extra Credit project.

Note: Each choir is scheduled to sing once a month.

In His Service,

Mr. Tessendorf, Faculty and Board of Christian Education of St. Peter's Lutheran School
